

USER GUIDE

IMAGE SLIDERS

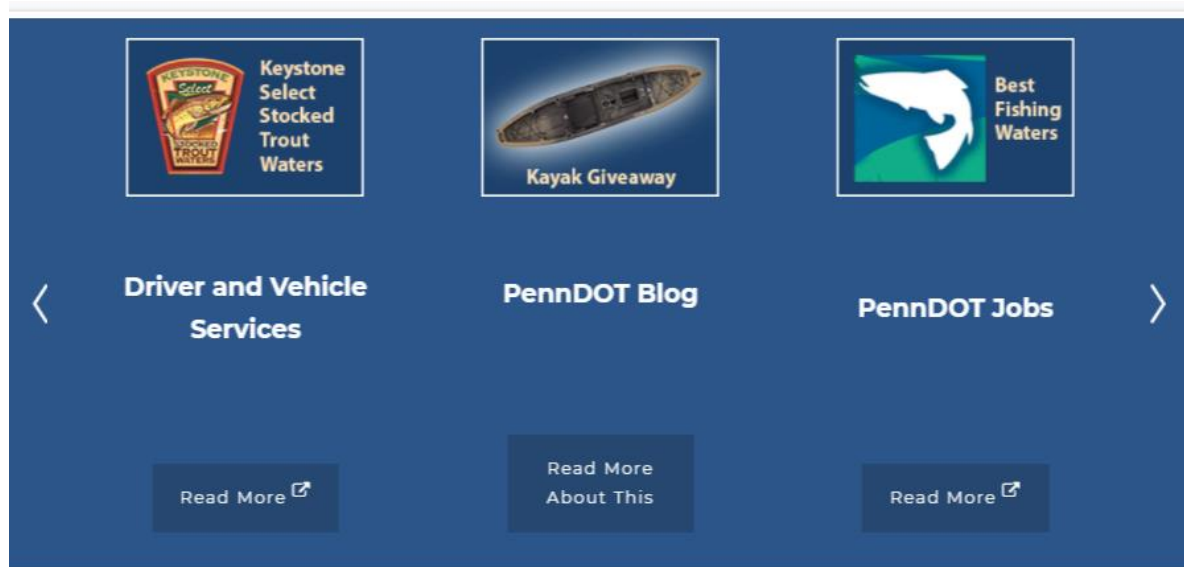

02/05/2019

1. INTRODUCTION

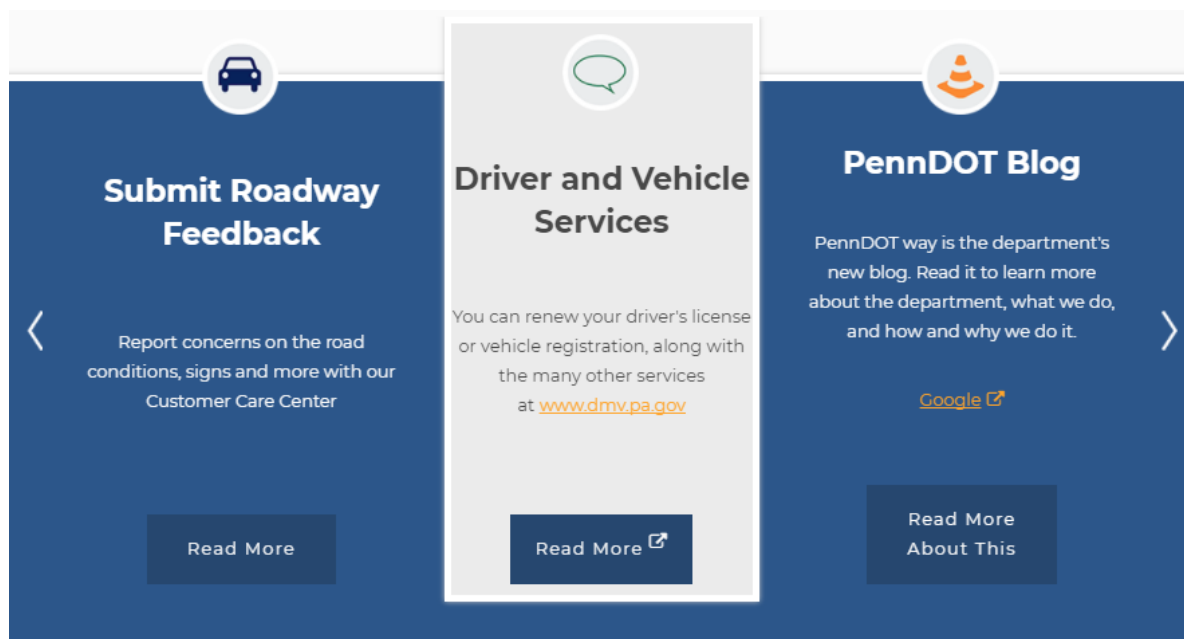

The Image Slider option was created to provide agencies with a website content zone that can handle dynamic content.

It is suggested that this only be used on the HomePage above the Dashboard.

Simple Slider Example:

Summary Slider Example:

2. ACTIVATING THE IMAGE SLIDER

2.1. To add an Image Slider

2.1.1. Login to your respected AUTH website (e.g.: <https://auth-agency.pa.egov.com/sites/dcnr/Pages/default.aspx>), go to the **homepage**
